# ABOUT BSCIT

The B.Sc IT program of University of Mumbai is designed to provide basic inputs for a broad understanding of Information Technology and its interfaces. Today smart, successful businesses use IT to give them an extra edge to stay ahead of the competitive world. IT is soon becoming a "Driver" rather than a "enabler" of business. The program takes the student beyond computer skills to telecommunication system and its networking to e-commerce, internet security and Enterprise Resource Planning. The program will give a strategic advantage to the future of the Indian Manger.

### Course Duration

The course is a full time 3 year degree course conducted under the aegis of University of Mumbai
