Report

Subject: Exploring Effective Research Design & Planning

Venue: Auditorium

Date: 22/09/2017

No. of Participants: 56

Guest Speaker: Dr. Arvind Luhar

Sasmira Institute of Commerce & Science hosted an engaging seminar focused on "Exploring Effective Research Design & Planning" for FY/SY/TY students on 22/09/2017. The seminar aimed to deepen students' understanding of research methodologies and their pivotal role in shaping robust research endeavors. The seminar on Exploring Effective Research Design & Planning was met with enthusiasm and active participation from students. It provided a valuable platform for students to comprehend the intricacies of research methodology and its direct impact on the quality and reliability of research outcomes. The seminar proved to be an insightful and enriching experience, empowering students with the knowledge and tools necessary to embark on their research journeys confidently.

Notice

This is to inform all students of "SASMIRA INSTITUTE OF COMMERCE & SCIENCE" that a seminar on "Mastering Literature Review Techniques" has been organized for FY/SY/TY students. The seminar will be held on 07/08/2019 at 12:30 pm in the Auditorium. Your active participation is encouraged and appreciated. This seminar aims to equip students with essential skills in conducting comprehensive literature reviews, an integral aspect of academic research. It will delve into effective strategies, sources, and methods to critically analyze and synthesize existing literature to enhance the quality of research work. We look forward to your enthusiastic participation and engagement in this insightful session. Please mark your calendars and join us for an enriching experience!

Notice

This is to inform all students of the "SASMIRA INSTITUTE OF COMMERCE & SCIENCE" that a seminar on "Enhancing Skills in Writing Research Proposals" is scheduled for 16/12/2019 at 12:30 pm in the Auditorium. This seminar targets students in FY/SY/TY levels, aiming to bolster their research proposal composition capabilities. Your enthusiastic participation is encouraged to make this event a success. Join us to delve into the intricacies of crafting effective research proposals that captivate and articulate scholarly endeavors. This session promises valuable insights and guidance on structuring proposals, elucidating research objectives, and presenting compelling justifications. Please mark your calendars and prioritize attendance. Let's seize this opportunity to sharpen our research acumen and refine our proposal-writing prowess.
